EXHIBITOR RULES & REGULATIONS

General

All matters and questions not covered by these Rules and Regulations are subject to the decision of the Society of Gynecologic Oncology (SGO). In the event of any such decision being of general interest, written notice will be given by the Society to Exhibitors that may be affected. The words “the Society” or “SGO” used herein shall mean the Society of Gynecologic Oncology, its committees, agents or employees acting for the management of the Meeting and Exhibition.

Exhibit Participation

The exhibition is for the express purpose of furthering SGO’s mission, which is to promote and ensure the highest quality of clinical care through excellence in education and research in gynecologic cancers. Companies may exhibit commercially available gynecologic and/or related products, equipment and services approved, where applicable, by the Food and Drug Administration (FDA).

Displays or graphical depictions of drugs or devices that are investigational or not approved by the FDA must include prominent signage noting which product(s) are for viewing by non-U.S. attendees only and guide attendees accordingly. SGO does not guarantee, warrant, endorse or otherwise approve of the companies exhibiting at the SGO meeting nor any of the products, equipment or services exhibited by the companies. Each Exhibitor is solely responsible for compliance with FDA Rules and Regulations which address the labeling of displayed products and for determining if a product may be promoted for a use that is generally accepted among oncologists or other medical professionals and for which FDA approval is not required.

Compliance with all applicable laws and regulations is required of every organization that participates in SGO meetings. Organizations that violate SGO policies, applicable law, or the terms and conditions as set forth in the Application for Exhibit Space will be subject to disciplinary action that could include loss of priority in selection of exhibit space, termination of the Application for Exhibit Space, or loss of the opportunity to participate in future SGO meetings.

Assignment of Exhibit Space

Following on-site sales at the 2019 Annual Meeting, applications received from prospective Exhibitors will be recorded in order of their receipt. If two applications for the same space are received at the same time, priority will be given first to members of SGO’s Industry Corporate Council, and after that to the company that has sponsored at the highest level and exhibited at previous SGO meetings and complied with all Exhibitor rules and regulations. While SGO attempts to accommodate exhibit location and other preferences, such accommodations cannot be guaranteed. In the event of a conflict regarding space or other material conditions, SGO shall have the right to assign space to the Exhibitor, rearrange the floor plan and/or relocate any exhibit at any time before or during the period of exhibition. Please note exhibit spaces purchased in a previous year are not guaranteed.

Exhibit space will not be assigned without appropriate payment made first. If full payment is not received by Oct. 18, 2019, the exhibit space will be released and reassigned until final payment is received and processed.

Care of Exhibit Space

Exhibitors shall keep occupied space in good order. Special cleaning and dusting of booth, display, equipment and material will be the Exhibitor's responsibility and shall be performed at the Exhibitor's expense.

Insurance and Liability

Exhibitors shall be fully responsible for any claims, liabilities, losses, damages or expenses relating to or arising from an injury to any person or any loss of or damage to property where such injury, loss or damage is incident to, arises out of, or is in any way connected with Exhibitor's participation in the exhibition

In the event any part of the Exhibit Hall is destroyed or damaged so as to prevent the Society from permitting Exhibitor to occupy assigned space during any part or the whole of the exhibition period, or in the event occupation of assigned space during any part or the whole of the exhibition period is prevented by strikes, acts of God, national emergency or other causes beyond the control of the Society, Exhibitor will be charged for space during the period it was or could have been occupied by Exhibitor; and Exhibitor hereby waives any claim against the Society, its directors, officers, agents or employees for losses or damages which may arise in consequence of such

inability to occupy assigned space, its sole claim against the

Society being for a refund of rent paid for the period it was prevented from using the space.

Exhibitors are urged to carry all-risk insurance covering materials against damage, loss and all other hazards from the time shipments are made prior to the show until shipments are received back after the show. This can be done by adding “exposition floaters” to existing insurance policies. By purchase of an exhibit booth, it is understood that neither SGO nor its general service contractor are not insurers and that insurance, if any, shall be obtained by the exhibitor.

If, for any reason beyond the control of SGO, the exhibition has to be cancelled, shortened, delayed or otherwise altered or changed, the Exhibitor understands and agrees that losses and damages, which it may suffer as a consequence thereof, are its responsibility and not that of SGO, its directors, officers, employees or agents.
